Useful info (13.08.2008)

1. Hotel reservations in SEZAM were successfully made by Dorota Tomaszewska: dorota@tele.pw.edu.pl. This info was already e-mailed to you in July.
2. At checking out at the hotel you, as usual, be able to pay in cash (Polish zloty – PLN) or by a credit card. The bill will be issued by the hotel.
3. Breakfasts are not included in the room price. You will have to pay additionally, 8-15 PLN, depending on the breakfast option.
4. Recall that as for today, the room prices are 90 PLN per single room per day, and 70 PLN per place in a double room per day. These prices may grow by some 15% until you come.
5. You can get to SEZAM from the airport by bus no. 188. After some 40 minutes drive you get off at the Rozbrat bus stop and walk for 500 meters (direction: to the left, under the highway). You need to buy a bus ticket in a kiosk shop at the airport (2.8 PLN per ticket).
6. Certainly, you can take a taxi – the price is reasonable (around 10 Euro during the weekday, more on Sunday).
7. Do not exchange too much money at the airport – they apply bad exchange rates. Proper places for exchanging money are facilities called KANTOR (the best rates are in the city center).

This information will be successively updated. See also:
